1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 20 of the claims filed 2/10/05, line 1, delete "20" and insert - - 16 - -.

This corrects the typographical error in the representation of the claim. In the original claim 20 (10/22/03), the claim is dependent upon claim 16. In the response filed 2/10/05, the claim is indicated as "Original" but a change is made respect to the dependence; this change appears typographical since it is claiming dependence upon itself. This amendment corrects the unintentional, typographical error.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory C. Issing whose telephone number is (571)-272-6973. The examiner can normally be reached on Monday - Thursday 6:00 AM- 4:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Tarcza can be reached on (571)-272-6979. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application
